

Meranti Plywood

Meranti BS1088 Marine Plywood is manufactured from high-quality Meranti hardwood veneers. Widely used in the marine and joinery industries, this plywood is valued for its natural durability, strength, and attractive grain pattern. The rotary-cut face veneers showcase an interlocked wavy grain with a coarse yet even texture, making it ideal for clear coat or stained applications.

Sheet Size	Thickness	Average Weight	# Plys
<i>A/B Grade</i>			
2440 x 1220 x	4mm	12 kg	3 ply
"	6mm	18 kg	5 ply
"	9mm	24 kg	7 ply
"	12mm	30 kg	9 ply
"	15mm	36 kg	7 ply
"	18mm	42 kg	9 ply
"	25mm	48 kg	10 ply
"	28mm	60 kg	13 ply

Technical specs

- **Face Grade:** A/B Marine Grade
- **Glue Bond:** A Bond WBP (Weather and Boil Proof) Exterior
- **Emission Rating:** E0 (Ultra-Low Formaldehyde Emission)
- **Colour Range:** Pale light pink to red-brown
- **Texture:** Interlocked wavy grain with a coarse but even texture

Characteristics

- Naturally durable and strong.
- High resistance in covered exterior applications.
- Excellent surface resistance.
- Superior dimensional stability.
- Easy to machine and work with.

Uses

- **Marine Industry:** Ideal for boat building and marine applications.
- **Furniture & Cabinetry:** Suitable for high-end furniture and joinery.
- **Recreational Vehicles:** Used in caravan and motorhome construction.
- **Interior Cladding:** Perfect for interior wall lining.
- **Commercial & Residential Fit-outs:** Ideal for kitchen cabinetry and custom joinery.
